

their has been considera-
ble confusion about
the bonds some swore
they ont stay and
be cheated out of them
two of the boyes have
left and lots more
will leave if they want
no count it is in the
paper that their is 25 cen
discount on them here
if that is the case it
will be a buet go on me
shore i will have to
quit for this time write
as soon as you git this

Direct as you did before
Andrew Millburn
you som becler from ea

wednesday

1805

stevenson station June the 8th
this day fines me in good
helt and the rest of the
boyes I received yore letter last
night with plasure and red
it with Loy I have Just
come in from drill i borking
to write to you i have und
object in writing to you
so soon i dont know what
you ment a bout Chap
Cook what he has been
doing in burlington with
Lane brown i want you
to write me the full de
tails a bout it we have
built a sheds out of brush
sixty feet long in lenth
to keep from being sun
skuek in the heat of the
day it is the holist

place i ever saw it is
to hot for any use
i want to go further
north than this we are
going to have a general
Review to morrow at two
o'clock we have quit drilling they
so much it was killing
the men there was one
man died out of 60 6
day bet fore yesterday he
was buried to day you
said in your letter that
you didnt look for us
home i have come to the
conclusion that we will
stay till fall but i dont
know what they want
with us for my part
i cant see the nub to it
we are nothing but a
bill of expens to the
Government and no

profit to it i will
have to tell you something
a bout the pole raising
that i was at the other
day we went to one last
Saturday we had a nice time
they give us our dinners
and then we went and
raised the pole the union
girls bought the old stars
and strips and did them
on there was two canon
from winchester they was
fired them several times
there was two company
of infantry they was fired
several times then we
went to the house then
we had several speeches
by the officers the cheers
went up with all of
its fury
