Dear Sir

I send enclosed
spas. in our case against Fisher
You will please see that they
are executed. If you know of
any one who would be a good
witness for us put his name
in the Spa, and serve it upon
him. I want Koles to bring
all the writings he has, about
his leasing the land, not only
from your father, but the
papers, if any, when he got the
lease from Atkins.

Be sure and get everything
right, for Fisher is going to

us as hard as he can,

He has imployed Caperton
& Patton and we must be
ready to give him the best
we have got in the shop.

Be sure and attend to this
at once,

Respectfully

H. W. Brazier
