

GEO. L. PEYTON & CO.,

Proprietors.

B. F. EAKLE, - - - Chief Clerk.

Drs. J. J. MOORMAN  
AND  
T. B. FUQUA, } Resident Physicians.

Greenbrier White Sulphur Springs,

Greenbrier County, West Virginia,

Mr. Guinn

Will apply the Iodine to his legs - and keep them  
bandaged as directed. He must take ten drops  
out of the small vial in a little water three times a  
day half an hour after each meal - and a Tea  
spoonful out of the large vial three times a day  
in a large wine glass full of strong Sassafras  
Tea, half an hour or so before each meal -

Keep the legs as much as possible raised on a  
line with the body and this is especially necessary  
until the bandage has been applied for a few  
days - If the legs get hot, keep them up as  
directed and put clothes wet with cold water  
upon them.

J. J. Moorman M.D.

June 24<sup>th</sup> 1873 -
