

Burlington Ind Nov 16th

Mr Laban Gwinn

Kind Sir

We arrived Home safe found
the folks all well and doing
well. Father has been sick
ever since we come home I think
he drank to much Sulphur
water. And having a colored
under shirt on he has become
completely poisoned he is now
getting some better, we have
had some very rough weather
here, snow commenced falling
yesterday and is falling very fast
yet this morning winter has
commenced too soon for the
farmers as there is but little corn
cribed yet

Mr & Mrs Ring have not
returned from their visit yet
if they dont come pretty soon
I will go & see them for
I am getting verry lonesome
I was at uncles Johns
yesterday the ~~folks~~ afflicted one
are recovering.

Oxens Nest

Will give you a more de tailed
Epistol next time

My Love to
Aunt to Gallie Johnny Lomas
Jennie Baby Baby
and soon

J. P. Griffin
