Dear friend Garrison

I am sorry to hear and
any sorrow to you the man is
running over the timber but I
will say this that the must take it
as it comes if the most I will sock
them on their work I can see the
3 ft stow but I don't go at this
time what the or worth but I will find
out in a few days if Wilson & Luster
has never made any stow too
than to get I have one to show
them how to split the stow as
I don't want any timber wanted
if you can get any better to
show them it would be all right
as he is a good hand at the business
I will be down next week see us the most
split any timber and tell them
the must take the timber as the
come to it I saw all the timber that
will make 3 ft stow. Write I am
