Mr L Ginn

Dear Sir

Just to hand this morning and  
will say that the man that speaks  
the truth will pay for us and will  
had it had for you for the good  
truth but don't see them any thing  
about this but try and bring them  
up and give all made the same  
by the last of next week as I  
want to put them on the road  
as soon as I can &c

Mr Ginn I wish you would  
put over the lower lot of shoes in  
part of them that was counted & try  
one day and see how many you can  
put over in a day and write to  
me so nothing more except  
your paper

Wm Cheney Jr

inside of 2 weeks no there is a  
man who has a contract with  
is to run in giving a way about  
that there land of the state is on  
the road he will take the state  
and pay for them
