

Delaware

Wm F. Green

July the 15<sup>th</sup> 1876

Mr. Edwin Guinn Sen  
yours of June 26<sup>th</sup> 76. Came  
To Hand & found us all in  
Tadlerable Good Health  
This Colonial yeare

We are having vary wet  
Wether & have had for the  
Last two yeares we had  
awful pludes all last sum  
mer which destroyed all  
the Corn on the Bottom  
lands & this summer it  
has already destroyed a  
great deal on the upland  
wheat was poore last  
yeare But good this yeare  
But is out in shock  
as yet But the wether looks  
favorable to it now

your Spoke of Sarcy  
Hard times in what I  
Suppose that is the Case  
Every where at least it  
is the Case Here Especially

In regard to Money I

If I understand  
your letter you wished to  
Borrow Two Hundred dollars  
Now I would like to accom-  
odate you I have been  
dividing my means with  
the Children & have none  
to spare at this time but  
need all that I can collect  
So tell Carralls father  
administraler to send the  
amount of that note to my  
address Burlington pa  
Carrall City Indiana  
Send in a Redge lined  
letter H. Gwinn
