Mr Laban Guinn

Dear Sir

I had an interview with J. W. Davis
in regard to our business he said our title
to the land was a good one but the land
that I sold traded to John G. Guinn
would be sold and I think it is advertised
now for sale there is a party that offers to trade
for lumber then notes of what you owe me
after giving you a credit of what our half the
land he offers to buy them and give you a chance
to pay it in lumber he will give you a very
price for the lumber I saw the party and
I must pay them some way and that will
pay your debt and mine too I want close
the bargain for a few days I will hold him
off and you write me out on it and after
you can buy one half interest in a farm
and pay in lumber now if this arrangement
suits you write me and I will make a contract
with the party to give you time on it so
it will give you a chance to get the lumber
sawed he is a nice man and will treat you
rite and will buy all the lumber that
you can saw well let me hear from you by return

R. H. Mander

P.S. I would like to sell
my own half interest in the land
& failed to make the trade with that
