Hinton, W. Va. July 15 1884

Laban Gunn

Dear Sir

I have been waiting
patiently expecting the
balance on the B.B. Burkes
note which on the 17th of this
Month will be $232\frac{18}{100}$ \$

Although you agree to pay
me 12% I can't wait on
you longer than the 1st day
of August. So I will give
you that long and no longer
because I will be compelled
to have the money about that
time (Let me hear
from you at once) John Cooper
