Alan Gunn Esqr

Dear Sir

Yours. With \$700 Re-
ceived 18 Inst. With Thanks.

On examining the paper or
rather the original Platt. & Calculat-
-ions. that where I first Calculated
the contents I made it 505.10 poles. by
but the second time going over the
figures (which I always do) I made
521.830 poles. And on calculating
Yours & Sam's. Separately Yours
was 265.88 poles & Sam's 256.81 P
In given the total No of Acres
I must have taken the wrong No
if I reported it to you 505.10 (over)

This though will not effect
your Boundary or title. You will
only be charged with about 16 s
less than you really own.

I will go out and
see Samuel when the
Roads Dry up a little.

I was at Town
the other day, and there
appeared to be a new set
of Officers moving about,
& they very much like
Republicans

Very Respectfully
Yours

W. G. Hanagan
