Dear Friend

I am at this place and have been all winter. Will you be ready to go to trial this court in the case of White against you? If you want it tried we will try it and if you want it continued we can do so. I would like to hear from you in regard to the matter. How did the survey suit you? Summers Court commences next Monday I expect to be there and will need some money. Please tell your sons to please send me the \$5⁰⁰ balance due me as fee in their case as I need it. send by mail to Meadow Creek Summers county. I did their good work in their case, and if Flanagan did not notify them in time to give bond I could not help it. I made application in time and that was all I could do. but that has nothing to do with my fee. I agreed to attend to the case in Justice court for \$10⁰⁰.

which I did. I have waited a long time now
and am very much in need of some money,
so please tell them to send it to me and I will
feel very thankful to them. Write to me as
soon as you get this. Regards to family.
